

Elwood High Performance Motors Speed-Torque Reference Plots

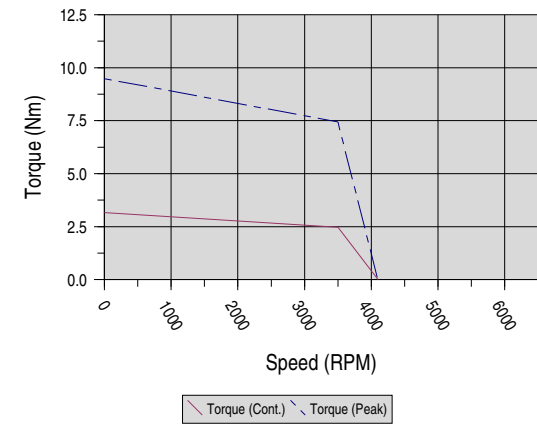

SX-Series: M431-N Winding

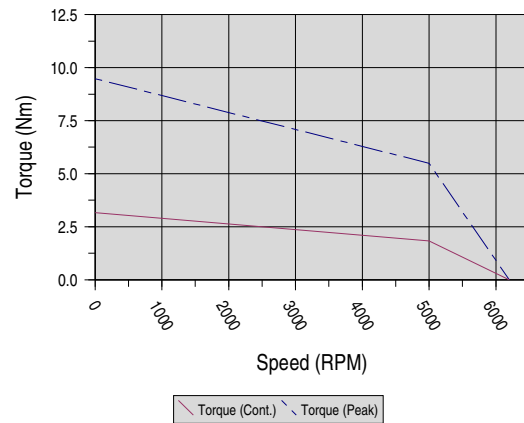

SX-Series: M432-N Winding

SX-Series: M433-J Winding

SX-Series: M433-M Winding

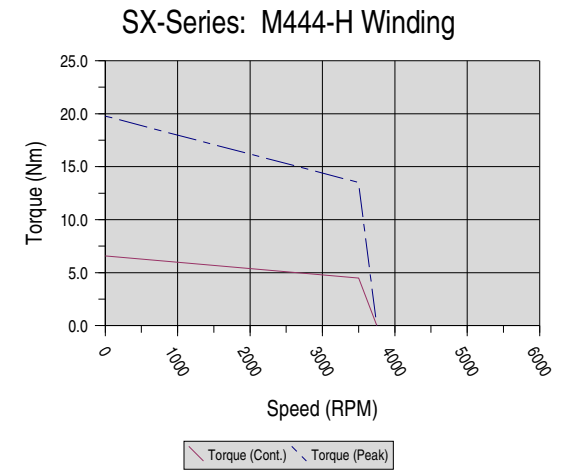

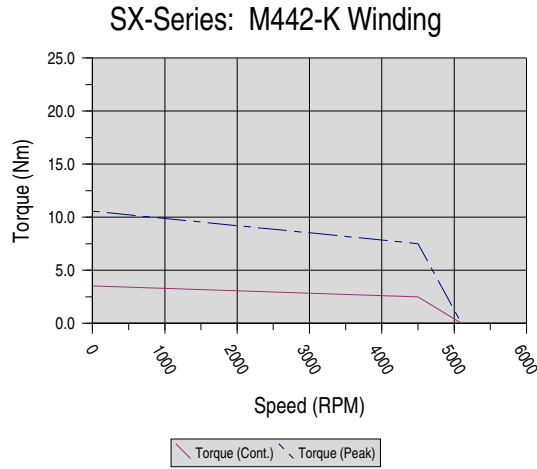

Note: Elwood provides performance plots are for reference only. Actual motor performance varies based on many factors including but not limited to drives/amplifiers, mode of operation, and control scheme/architecture.
